An advertisement for 'Tickets to the City' featuring a cityscape background. The text is arranged in a grid-like fashion. On the left, there is a description of the service. In the center, there is a logo consisting of a blue square with a white stylized 't'. On the right, there is contact information including an email address and a phone number.

TICKETS TO THE CITY

A free-to-the-seller ticketing service for live theatre, charities, schools, and many other organizations.

For more details or to arrange a no-obligation demo please contact us via email (sales@ticketstothecity.com) or call 1-866-499-ARTS (2787).

Please keep [Tickets to the City](#) in mind when you are looking for an on-line ticketing service. They have been MACT's on-line ticketing service for many years. The system works great and is easy to use. Support is superior! And every ticket you sell through them provides your theatre with MORE than the value of the ticket sold and helps support MACT.
