Approachable Affordable

LPint Consulting designs and maintains several websites, including the MACT website. Please keep them in mind when you are looking for website design and/or maintenance for your theatre or other small business. They have been responsible for MACT's website for many years. Support is great! Their people have worked in every aspect of community theatre, so they know what you do and need. They also offer a **20% discount** on design and maintenance services to MACT member theatres. That could save your theatre enough to cover your annual MACT dues.

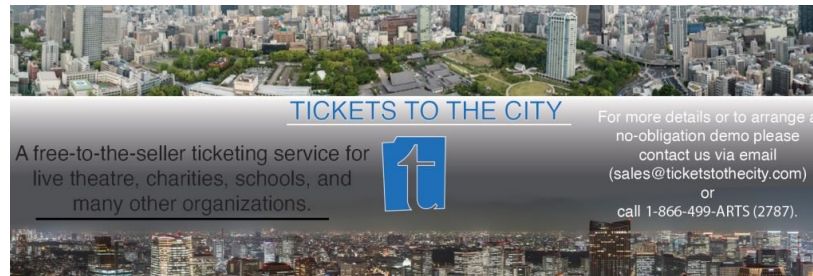

MACT is conducting its annual fundraising drive. We are calling our drive "Give to the MACT".

Again this year, MACT's current and former Board Members have contributed to a fund that will match every donation (up to the first \$675) to MACT during the fundraising period which ends November 18th.

Remember, donations to MACT made between now and November 18th will be matched, so your gift will have double the impact for MACT.

TICKETS TO THE CITY

A free-to-the-seller ticketing service for live theatre, charities, schools, and many other organizations.

For more details or to arrange a no-obligation demo please contact us via email (sales@ticketstothecity.com) or call 1-866-499-ARTS (2787).

Please keep [Tickets to the City](#) in mind when you are looking for an on-line ticketing service. They have been MACT's on-line ticketing service for many years. The system works great and is easy to use. Support is superior! And every ticket you sell through them provides your theatre with MORE than the value of the ticket sold and helps support MACT.
